

Privacy Policy and Terms of Use

What is Tax Management Security Services?

Tax Management Security Services is a platform owned by Minsait for all our customers.

The objective of this platform is to share information regarding the operation, policies, processes, etc. of the company, as well as to provide part of the necessary tools for the performance of our work, being expressly prohibited any other type of use other than the indicated objective.

These conditions of use regulate the access and use of the Tax Management Security Services, as well as all the contents that are made available to users in it.

Every time you access Tax Management Security Services, you declare that you know and accept these conditions and that you have read and agree to comply with all the provisions of these Conditions of use.

Minsait reserves the right to review these conditions of use at any time and for any reason. In this case, Tax Management Security Services users will be notified and, if they continue to use Tax Management Security Services, the changes introduced will be understood to be accepted.

However, Minsait will do everything reasonably possible to verify the legality of the content as well as any information disclosed through the Tax Management Security Services . To this end, the Tax Management Security Services Office will be in charge of looking after Minsait's interests and ensuring that all publications are in accordance with the company's Code of Ethics.

Obligations of Tax Management Security Services users

Users are obliged to make diligent use of Tax Management Security Services and their personal space. Minsait is not responsible for the incorrect use of the Tax Management Security Services or for the content located on it in personal spaces, with each user being responsible for the correct use, legality and origin of the content they have shared.

However, Minsait will have the capacity to review and ensure the legality and origin of the content as well as any information disclosed.

Minsait therefore reserves the right to limit or suppress opinions, information, comments or images that users wish to include in their personal or public space on Tax Management Security Services . All this will be done in order to guarantee good rules of coexistence and preserve intellectual property rights.

The user will be solely responsible for the information, images, opinions, allusions or content of any kind that they communicate or make available on Tax Management Security Services .

Specifically it is prohibited:

Share any content that may be considered a violation in any way of the fundamental rights to honor, image and personal and family privacy of third parties.

Make comments that are or may be interpreted as libelous, libelous, defamatory, insulting or obscene or contrary to good customs.

Make comments that may be interpreted as discrimination based on birth, ethnic origin, sex, religion, opinion or any other personal or social circumstance.

Sharing images or personal data of third parties without having obtained the appropriate consent of their owners.

Share any content that violates the secrecy of communications, the infringement of industrial and intellectual property rights or the regulations governing the protection of personal data.

Reproduce, distribute, make available or in any other way share, outside Tax Management Security Services, content, information or images that have been made available by other users.

Carrying out any of the foregoing behaviors will allow Minsait to eliminate the information or comments, without prejudice to other responsibilities that may be claimed.
